I was making a right hand turn on 91st was a car length behind a bluish Mercury that was swerving all over the road and in front of LSMS middle school. She ran into a mail box and came within inches of hitting a guy on sidewalk and then continuing to crash into the other side and wrecking her car. She tried to leave. I told her "NO" she seemed intoxicated w/ burnt cig hanging out of her mouth. Her actions are very concerning, very ~~concerning~~ out of it she was. I then called 911 and waited for the police arrival. She had started her car as if she was considering leaving the scene.
